CONTINUOUS EVALUATION

Dear parents and students,

The teaching-learning process becomes complete only with continuous evaluation and assessment

It is very important to keep the students agile, focused and motivated.

☞ As a part of this, the school will be conducting different types of tests and exams. Information regarding this was given in my address to the parents.

☞ Monthly exams are one of the major exams .

☞ The schedule of the monthly exams is given below.

☞ Note the given timetable and ensure that your ward prepares well and attends the exam seriously.
