## **OLYMPIADS**

Dear Parents,

Greetings!

This is to inform you that the registrations for participation in various Olympiads are open. Our school is providing you a platform for this by organizing Olympiads conducted by various organizations. Competitive Examinations improve thinking capacity, problem solving skills and inculcate competitive spirit in the student.

Please find below the details of the various Olympiads for the academic year 2021-2022.

Please note:

- The given list is not final. Information regarding the upcoming ones will be given later.
- Participation is not compulsory. Only interested students need to participate.
- Considering the Covid conditions, only online Olympiads are preferred. The payment should be done directly to the agency conducting the Olympiads. School will not collect the fee.
- If the address and phone numbers given are used later by the agency for promotion purposes, the school will not be responsible.
- Those who register may inform the same to the class teacher.  
If you have any doubt, please contact the Class teacher. The Class teacher will guide you with the help of the teachers-in-charge.

Wishing you all the best in the Olympiads.

Regards,

**Principal**
