## Maths Premier League

Dear students,

- This is to inform you about the Maths Premier League (MPL), the Maths skill tournament via counting well app (android app- available on play store) for students studying in classes 6,7 & 8.
- It is a 5-week programme starting from 15 August 2021 and the final is on 19 September 2021.
- Those who are interested can register for the competition **before 14th August 2021**.
- There will be Maths course and weekly test as part of this programme.
- No student is allowed to bunk the school classes or postpone homework on account of taking part in this competition. This is an optional programme for those who are genuinely interested.
- The student and parent have to take the responsibility.
