

# MARYGIRI PUBLIC SCHOOL

An Institution Run by CMI Fathers

KOOOTHATTUKULAM

**Circular No: MPS/GC/18/21-22**

**Date: 15/09/2021**

**For Class 12**

## **Class 12 - Practical & Project work**

Dear parents and students,

As you are aware the revised academic and assessment pattern of CBSE is in force.

A detailed discussion of the same was done in my meeting with the class 12 students and parents on 10th August 2021.

- In light of the scheme the academic year is divided into two terms and the practical exam will also be conducted in both the terms.
- As part of this, practical and project work will be given to the students.
- The students are advised to complete their record work/project work as per the instructions given by the teachers
- Make sure that you do it perfectly and complete on time.
- Parents do ensure that the work is done as directed by the teachers.
- The guidelines and the writing materials will be uploaded in the google classroom.
- Use A4 sheets for writing. Have proper margins. Spiral binding can be done after completing the work.
- It is the integral part of the learning process. Therefore, do it properly.

Wish you all the best.

Principal
