Adolescent Peer Educators Leadership in Life Skills, Health & Wellbeing Programme

Dear Students,

CBSE is conducting a training programme to develop leadership in life skills, health and wellbeing for students.

This programme aims at building the capacity of students for the effective implementation of life skill education in schools. These trained students will form **School's Master Trainer Group** and they are responsible for conducting orientation programme for other students.

Class IX & XI students can participate in this programme.

Selection

- Only two students each from class IX & class XI will be eligible.
- There will be a selection round for the apt candidates.
- From the applied candidates the selection process will be done.

The following will be the criteria for selection.

1. Enthusiasm and commitment for teamwork,
2. Good communication skills and empathy for peers,
3. Ability to model and lead appropriate behavior for others,
4. Zeal for knowledge and sensitivity towards health and wellbeing issues, and
5. Readiness to spend time for others.

Those who are interested can give their name to the class teacher by tomorrow (22nd September 2021) 5 pm.
