ABOUT NELTAS

NELTAS is a leading Education and Innovation Company focused on English, Maths and Science Testing, Assessments and Training. We conduct Skill based Assessment to monitor the student's progress. In addition to this, we also offer student & teacher training courses to improve their level of English proficiency.

About ECAT

ECAT (English Competency Analytical Test) is an English Language Assessment blended with International English Language Competition taken by lacs of students every year. It assesses the knowledge, understanding and application of skills like reading comprehension, formal and functional grammar, language usage, vocabulary and reasoning.

About M-CAT

M-CAT (Math Competency Analytical Test) is a Mathematics assessment along with International Competition. It assesses the knowledge, understanding and application of skills like critical thinking, problem-solving, analytical thinking, quantitative reasoning and time management.

About S-CAT

S-CAT (Science Competency Analytical Test) is a Science assessment platform in lines with the International Competitions. It provides an opportunity to the students to assess their learning. They become more aware of their knowledge, understanding and effective usage of resources to learn a particular concept.

Benefits to Student:

- ❖ Strengthens grammar base.
- ❖ Improves comprehension skills.
- ❖ Identify strengths & areas of improvement in grammar.
